LB 811

CLERK: Mr. President, Senator Beutler has an amendment to the bill. (Read Beutler amendment. See page 867 of the Legislative Journal.)

SPEAKER NICHOL: Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, this is a purely technical amendment that I've discussed with Senator Schmit and it really relates to a line that the bill drafter apparently neglected to cross out because it just doesn't read correctly. So it's only technical in nature. Would ask the adoption of the amendment.

SPEAKER NICHOL: The question is the adoption of the Beutler amendment. All those in favor vote aye, opposed nay. We're voting on the Beutler amendment. Please vote. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Beutler's amendment.

SPEAKER NICHOL: The Beutler amendment is adopted. Senator Schmit.

SENATOR SCHMIT: I move the bill be advanced, sir.

SPEAKER NICHOL: Senator Pirsch, excuse me Senator Scofield.

SENATOR PIRSCH: I just have a question for Senator Schmit. We are eliminating some of the questions that are asked in the, in the application. I lost that page when I went to the amendment. Okay, on page 4 and most of them I, I can understand why they were eliminated because they are superfluous and since they give an eye test, we do not need that provision to ask if they have sufficient powers of eyesight. But why did we eliminate the question, are you deaf or is your hearing seriously impaired? Could you answer that, Senator Schmit.

SENATOR SCHMIT: I can't answer that, Senator Pirsch.
